Member & Save \$40**

#### **Featured Speakers:**

#### **James Neubrandner, MD**

##### **"Autism: A Treatable Disorder with Recovery a Definite Possibility"**

Dr. Neubrandner is the Medical Director of both the Comprehensive Neuroscience Center as well as his private practice that specializes in neurodevelopmental and autism spectrum disorders. In addition, he is the Medical Director of Autism Research for the International Brain Research Foundation. Dr. Neubrandner serves on the scientific councils for the American Medical Autism Board and the International Hyperbaric Association. He has also been a member of the Defeat Autism Now Think Tank since the mid '90s.

#### **Todd Hoover, MD**

##### **"A Homeopathic Approach to Neurological Conditions"**

Dr. Hoover is the President of the American Institute of Homeopathy, immediate Past President of the Council on Homeopathic Education, and on the Board of Directors of the Homeopathic Pharmacopeia Convention of the United States. Dr. Hoover is founder of the Philly Wellness Guide and President of BetterMedicine.com. He maintains an active clinical practice in Family Medicine and Homeopathy for over 18 years.

#### **Jessica Tran, ND**

##### **"Environmental Influences on Autism and Detoxification Protocols"**

Dr. Tran, ND is a licensed naturopathic physician in the state of Arizona and practices general naturopathic family medicine with an emphasis on environmental medicine, and special populations of interest include pediatrics and oncology. She is currently Clinical Faculty in both the Departments of Environmental Medicine and General Medicine at Southwest College of Naturopathic Medicine, Tempe AZ.

#### **Aminah A. Keats, N.D., FABNO**

##### **"Naturopathic Support of Glioblastoma Multiforme"**

Dr. Keats is a board certified naturopathic practitioner and a fellow of the American Board of Naturopathic Oncology. She is the Director of Naturopathic Medicine at Cancer Treatment Centers of America in Philadelphia. She is a member of several professional organizations, including the American Association of Naturopathic Physicians, the Society of Integrative Oncology, and the Oncology Association of Naturopathic Physicians.

#### **Maria Cronyn, ND**

##### **"A Homeopathic Approach to Treating Autism"**

Dr. Cronyn has a practice in Southern Ontario and Western New York, specializing in Homeopathy for Autism. She has been doing research within the underserved community and will be publishing her results shortly. Dr. Cronyn is also developing a community non-profit center to bring Naturopathic Medicine to low-income & Native American populations.
